June 8th - June 19th (2 weeks/ 6 classes)

Adult classes will be separated into ballet, jazz, modern and Pilates. Each class is designed to strengthen muscles, ignite the mind-body connection, all in a fun and nurturing environment. The adult dance/conditioning classes are designed to allow for mothers to have their children take dance classes at the same time in separate studios. All instructors are Scbt faculty. The payment can be single drop-in rate or take advantage with the Dance Card that gets you a better savings and more classes. The card does not expire for up to 6 months. So even if you cannot take all classes in these two weeks you can hold them for future adult classes.
