

Dear Kinderdanze families!

Can you believe it's almost school time? The summer has flown by, like those short weekends at the beach. If we could only bottle the tranquility of summer days and program it into our everyday moments, we will try — through the joys of dance!

We are so excited to see you and your children's smiley faces. Parents' orientation is Sunday, August 30th from 2:00-2:30 pm. You may bring the supplies that day. Classes start the week of August 31st for your child's level.

We wanted to share with you some supplies that you need to get and create for your Kinderdanzer. We are going to use Art & Crafts and documentation in your child's class. In the great savings of the Tax Free weekend and school supplies sales, Miss Josha, Miss Adair and myself would like you all to get some items to enhance your child's experience with our school.
